If not, are you interested in joining? () Yes () No

Member Directory Preference List 2018/19 (Return with Renewal)
One form for each member per household please

The VCCNE, to date, has been providing inter-club contact primarily through our website and Social Media pages. In checking with the AKC and other area clubs, standard practice is to provide a membership directory to our club members. Since this has not been done for many years, we want to give everyone a chance to provide us with their preferences as to what information will appear, before we publish a directory. This directory is for inter-club member communications only and is not to be shared with any person or entity outside of the club membership. Nor is it to be used to solicit donations, fundraising or selling of products without the express written consent of the Board of Directors.

A directory will:

- Allow other club members to realize the proximity of other members – perhaps connect!
- Allow members to communicate with each other about VCCNE or other Vizsla / dog events.
- Allow members to communicate with each other about ideas for the club.
- Allow members to communicate to the Board.

Please, read all the options below and check one of the appropriate option for yourself.

Our default listing is as follows:

___ First initial, Last Name, City and State (if preference not chosen below this will be your listing)

Additional options are as follows:

___ First Name, Last Name, City and State

___ First Name, Last Name, City, State and Email address (Pref email _____)

___ First initial Last Name only

___ I Do Not Want My Information to appear in Directory

The directory will be made available on or about September 15th of each club year after all membership renewals are received. Any new memberships after that date will not appear until the next publication the following September.

___ By Checking this box you agree to your choice of the listing above and your returned email response will serve as approval.

Signature _____ Date _____
